The National Honor Society In Neuroscience

Established in 2006 by the Faculty for Undergraduate Neuroscience

2018-19 Chapter of the Year
Georgia State University (β in GA)
“The brain is the organ of destiny. It holds within its humming mechanism secrets that will determine the future of the human race”

- Wilder Penfield

Members of Nu Rho Psi enjoy a variety of benefits, including:

- Lifetime membership and a professional network of Neuroscientists
- Travel Awards to attend the Society for Neuroscience annual meeting
- Poster Awards at Regional Undergraduate Neuroscience Meetings (e.g., NEURON, mGlURs, SYNPSE, and MIDBRAINS)
- Competitive Grants to Support Undergraduate Research
- Student & Faculty Member of the Year Awards

Chapters are eligible to receive:

- Annual Chapter Activity Grants
- Chapter of the Year Awards

“There really isn’t a special thing called the mind.

The mind is just the brain”

- Patricia Churchland

The National Honor Society in Neuroscience

Established in 2006 by the Faculty for Undergraduate Neuroscience
What is Nu Rho Psi?
Nu Rho Psi is the National Honor Society in Neuroscience, founded in 2006 by the Faculty for Undergraduate Neuroscience.

The purpose of Nu Rho Psi is to:

• Encourage professional interest and excellence in scholarship, particularly in Neuroscience
• Award recognition to students who have achieved such excellence
• Advance the discipline of Neuroscience
• Encourage intellectual and social interaction between students, faculty, and professionals in Neuroscience related fields
• Promote career development in Neuroscience and related fields
• Increase public awareness of Neuroscience and the benefits from Neuroscience research for individuals and society
• Encourage and support service of the membership to the national and global community

Membership
Membership is by invitation from local Nu Rho Psi chapters and is open to graduate and undergraduates who are making the study of Neuroscience one of their major interests and who meet the academic qualifications.

Nu Rho Psi is also open to qualifying Neuroscience faculty and alumni of Neuroscience programs.

Minimum requirements for membership include:

• Completion of at least 3 semesters of college coursework
• Completion of at least 9 semester hours of Neuroscience-related courses leading to a major/minor in Neuroscience
• Undergraduate cumulative GPA of 3.2 & a minimum GPA of 3.5 in Neuroscience courses

What is Nu Rho Psi?

Members of Nu Rho Psi enjoy a variety of benefits, including:

• Lifetime membership and a professional network of Neuroscientists
• Travel Awards to attend the Society for Neuroscience annual meeting
• Poster Awards at Regional Undergraduate Neuroscience Meetings (e.g., NEURON, mGluRs, SYNAPSE, and MIDBRAINS)
• Competitive Grants to Support Undergraduate Research
• Student & Faculty Member of the Year Awards

Chapters are eligible to receive:

• Annual Chapter Activity Grants
• Chapter of the Year Awards

“..understanding the brain and healing it when it is sick may well be the most difficult challenge that humanity has ever undertaken.”

- Huda Akil

“Neuroscience over the next 50 years is going to introduce things that are mind-blowing.”

- David Eagleman
