

Nu Rho Psi Chapter Activity Grant Proposal 2022

SPONSORED in part by Neuroscience Associates

Nu Rho Psi Chapter Activity Grants support chapter activities promoting public awareness of the brain and/or service to the community. Chapters are encouraged to organize activities around a common theme, which is The Neuroscience of Identity & Bias for the 2021-22 academic year. Note that applicants are encouraged, but not required to plan activities around the common theme.

Award Information

No more than four Nu Rho Psi Chapter Activity Grants will be awarded during the current cycle. Requested funds cannot exceed \$300 and must be used for direct costs of chapter activities. Funded activities will be featured on the Nu Rho Psi web site, social media, and disseminated to the neuroscience community.

Eligibility

The applicant must be a member of a recognized Nu Rho Psi chapter and must be submitting an application on behalf of the chapter. The applicant must provide a brief letter of support from the chapter faculty advisor. The applicant must agree to submit a Project Summary upon completion of the project.

Selection Criteria

The Nu Rho Psi Awards Committee will evaluate applications through a competitive process. Applications will be evaluated according to the following criteria:

- Perceived effectiveness of the proposed activities in promoting public awareness of the brain and/or service to the community
- Extent to which proposed activities are organized around the common theme.

Instructions

1. Provide a 250-500-word description of the proposed activities. The description should comment on how the proposed activities will help to meet the stated objectives of Nu Rho Psi: (1) to increase public awareness of the brain and/or (2) to provide service to the community. Theme-related activity is encouraged, and the description should clearly state how the proposed activities are related to the 2021-22 common theme, The Neuroscience of Identity & Bias, if relevant.
2. Submit a brief statement of support from the chapter advisor. The chapter advisor should comment on the availability of other funds (if any) and must agree to administer funds on behalf of the chapter.

PLEASE NOTE THE FOLLOWING DATES FOR THE ACADEMIC YEAR 2021-2022 CYCLE

3. Using this [Google Form](#), please submit this application and required documents by 31 January 2022 in order to be considered for the Academic Year 2021-22 cycle. If you have questions please contact Dr. Sarah Cassella at sarah.cassella@loras.edu.

Application Deadline	Award Decision	Funds Available	Project Summary Due *
31 January 2022	7 February 2022	28 February 2022	30 April 2022
